Optional Riders

Our optional riders eliminate possible Surrender Charges or Market Value Adjustments in certain situations. Your clients select only the riders that fit their needs - they don't pay for features they won't utilize!

Required Minimum Distribution

This rider waives the Surrender Charge and MVA on any Required Minimum Distribution (RMD) from tax-qualified plans.²

Terminal Illness/Nursing Home Care Feature

This rider waives the Surrender Charge if the owner is diagnosed with a stroke, heart attack, life-threatening cancer, or any other terminal illness. This feature also waives any Surrender Charge when the annuitant requires skilled nursing care for more than 90 consecutive days. Age limits and other conditions apply.²

72(t) Free Withdrawal

This rider waives the Surrender Charge and MVA associated with withdrawals made in accordance with Internal Revenue Code Section 72(t).²

Accumulated Interest Withdrawal

This rider waives the Surrender Charge and MVA associated with accumulated interest withdrawals, starting in the first contract year.¹

Preferred 10% Free Withdrawal

This rider waives the Surrender Charges and MVA for the first withdrawal per year starting in the second contract year. The owner may withdraw up to the greater of 10% of the account value or the Required Minimum Distribution. Surrender Charges and MVA may apply if there are multiple withdrawals in that contract year or retroactively to all withdrawals if the total of all withdrawals exceeds the greater of that amount in that contract year.¹

Death Benefit Feature Required For Issue Ages 86-90

In case of the death of the annuitant or owner, the Death Benefit will be equal to the total contract value. Any Surrender charges and MVA will be waived.¹

The Sentinel Plan® Personal Choice Annuity is a customizable solution for your clients.

¹These riders can only be added at beginning of a Guarantee Period.
