

Critical Illness Insurance

Wellabe's Critical Illness insurance empowers people to customize valuable coverage that makes it easier for them to focus on what matters.

- Provides flexible protection not found anywhere else
- Complements Medicare Supplement coverage
- Protects couples and families on the same policy
- Covers multiple illnesses, including cancer, heart attack, and stroke diagnoses
- Offers customization with riders, including restoration after full recovery

QUALITY PROTECTION. QUALITY SERVICE.

Clients can choose to cover the conditions that matter to them most. They'll start by selecting their preferred base policy, then add riders for additional coverage of cancer, heart attack, stroke, or other conditions such as skin cancer, blindness, deafness, end-stage renal failure, major organ failure, or an organ transplant.

STEP 1: SELECT A BASE PLAN

Cancer policy¹

Cancer diagnosis or malignant melanoma diagnosis: 100% of benefit paid

- Cancer in situ diagnosis: 25% of benefit paid
- Skin cancer diagnosis: No benefits paid, unless the optional Skin Cancer rider is selected

Heart attack and stroke policy²

- Heart attack or stroke diagnosis: 100% of benefit paid
- Coronary angioplasty with or without stent, heart valve replacement or repair, coronary artery bypass graft, cardiac aortic surgery: 25% of benefit paid

STEP 2: CUSTOMIZE WITH OPTIONAL RIDERS

Cancer policy¹

- Skin Cancer Lump Sum rider
- Radiation and Chemotherapy Lump Sum rider
- Cancer and Cancer in Situ Lump Sum Restoration rider
- Specified Disease Lump Sum rider
- Heart Attack and Stroke Lump Sum rider
- Heart Attack and Stroke Lump Sum with Restoration rider

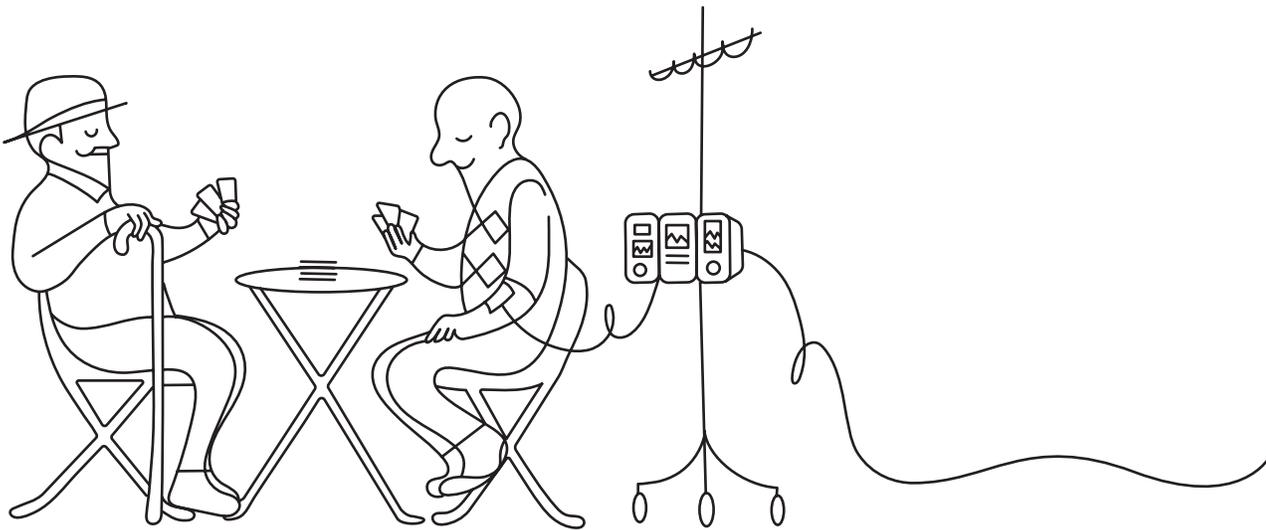

Heart attack and stroke policy²

- Heart Attack and Stroke Lump Sum Restoration rider

By the numbers

- Every 40 seconds, someone in the United States has a heart attack or stroke.³
- More than 2 million new cancer cases⁴ are expected to be diagnosed in the United States in 2025.⁵
- Every year in the United States, nearly 805,000 people have heart attacks — 200,000 have had them before.³
- More than 795,000 people experience a stroke each year in the United States. About 185,000 — nearly 1 in 4 — have had previous strokes.³

Plan benefits	
Benefit	Coverage for qualifying diagnosis
Lump sum cash benefit	\$1,000 increments, from \$5,000 to \$100,000
Issue ages	18–89 years old
Couple and Family plans	For couples to receive the same benefits, the spouse must elect the same coverage
Dependent children	Receive 25% of the benefit
Minimal limitations	6-month pre-existing condition limit ⁷ , 30-day waiting period ⁶
30-day right to return⁷	Policyholders can cancel within 30 days to receive a full refund, less any claims paid
